Heil KlimaFuehrer Rahmstorf!

August 14, 2017

The intended audience of this article is really Germans, who suffer from Stefan Rahmstorf, but I (Dr. Duane Thresher) think Americans and the rest of the world will find it fascinating as well.

Full disclosure: Dr. Claudia Kubatzki is coauthor on several papers with Stefan Rahmstorf and was also at the Potsdam Institute for Climate Impact Research (PIK) with him.

Who is Stefan Rahmstorf? ...
