Google, Columbia, NASA, Germany Censor Real Climatologists' Emails

August 15, 2017

This article is intended for Columbia University and NASA as supporting evidence for an email I (Dr. Duane Thresher) sent them. However, I think America and the rest of the world would be interested too.

Emails announcing our earlier story Heil KlimaFuehrer Rahmstorf! were censored by Google, Columbia University, Germany and possibly NASA. ...

Talked about in the article:

Gavin Schmidt of NASA and RealClimate.com
Stefan Rahmstorf of PIK and RealClimate.com
Google email for universities
Columbia University
NASA
Germany

Dr. Duane Thresher
